The Honorable Madeleine Dean
101 E. Main Street, Suite A
Norristown, PA 19401

Dear Congresswoman Dean:

I am contacting you to request any information you may have regarding the recent flights into Lehigh Valley International Airport, and other airports in Pennsylvania, carrying unaccompanied children as authorized by the U.S. Department of Health and Human Services.

As I am sure you are aware, many citizens in the Lehigh Valley, including constituents of mine, have raised questions and concerns about these flights, the ultimate destination of the passengers, and the lack of public information offered in advance of these flights. I have also been receiving questions regarding what, if any, COVID protection measures have been taken, such as testing and/or vaccinations, and if these undocumented immigrants have been properly vetted.

The secrecy around these flights has understandably created a sense of suspicion among our communities and is putting into question the line of communication between the federal government and elected Pennsylvania officials on the state and local levels. Any information or background you can provide for me to share with my constituents would be greatly appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Milou Mackenzie".
